

Link: <http://example.com/>.

With an ampersand: <http://example.com/?foo=1&bar=2>

- In a list?
- <http://example.com/>
- It should.

*Blockquoted:* <http://example.com/>

Auto-links should not occur here: `<http://example.com/>`

or here: `<http://example.com/>`

Known issue: missing left hand vertical bar decoration
